

If you're excited about how Greenhouse could bring your mission ideas to life, there are a number of ways you can join in with other Teams near to you.

1. Contact your nearest [Greenhouse Facilitator](#) to talk about your specific project or idea and how you would join that Greenhouse. They'll talk to you about what usually happens and the next gathering dates.
2. If you're not sure who to contact, use the form below to send a message to the national team for help.

The number of Greenhouses is growing all the time and the national team is in conversation with mission leaders in areas which are not yet involved, as well as with people involved in more specific projects. Keep checking back every month or so to the [Facilitator page](#) to see what new Greenhouses have sprung up.
