

Diocesan Synod Motions (DSMs) are motions passed by diocesan synods that have been referred to the General Synod. Once a DSM has been referred to the General Synod, it remains on the Agenda until it is either debated or withdrawn by the proposing diocese.

Diocesan Synod Motions are listed under the General Synod's Special Agenda IV. The other Special Agendas include Legislative Business (Special Agenda I), Liturgical Business (Special Agenda II), and Private Members' Motions (Special Agenda III).

## Food Banks and Inadequacies in Social Security

... to move on behalf of Sheffield Diocesan Synod:

‘That this Synod, mindful that the fourth Mark of Mission of the Anglican Communion is to “transform unjust structures of society”,

- c. believe that this dependence reflects serious inadequacies in the social security system
- d. note that the Trussell Trust has said: 'we stand on the edge of a precipice with a clear decision to make: either we accept food banks as a 'new normal' or we work to create a more dignified, compassionate and humane society where everyone has enough money for essentials'
- e. welcome the Chancellor’s intervention to help the least well-off households with their energy bills but note this will not remove the problem of increased dependency on foodbanks
- f. call on the House of Bishops to urgently engage with HM Government, in particular the Secretary of State, to press it to review the adequacy of current social security provision.'
